Identical letters dated 20 November 2008 from the Permanent Representative of the Democratic Republic of the Congo to the United Nations addressed to the Secretary-General and the President of the Security Council

On instructions from my Government, and further to my letter dated 10 October 2008 (S/2008/644), I have the honour to inquire as to what action you have taken to relieve General Karake Karenzi, commander of the Rwandan contingent operating under the United Nations-African Union Mission in Darfur (UNAMID), of his duties.

My Government holds this individual responsible for the massacres perpetrated in Manono (Katanga Province) in 1999, and for the clashes that destroyed half of the town of Kisangani (Eastern Province) in 2000.

Furthermore, this individual is being sought by various jurisdictions for his alleged role in massacres and violations committed in his own country.

I should be grateful if you would arrange for the present letter to be circulated as a document of the Council.
